BIBLE STORY

David Defeats Goliath (1 Samuel 17:1-50a)

Goliath's people, the Philistines, were the enemies of David's people, the Israelites. At that time (around 1020 BCE), it was common for opposing armies to choose representatives to fight in hand-to-hand combat. A win for either army's representative counted as a win for the whole nation. The problem for Israel in this story was that no one— not even King Saul—was brave enough to face Goliath. David was not a soldier, but a shepherd, and he was a passionate follower of God. When he witnessed the injustice of Goliath's words and treatment of the people of Israel, David volunteered as Israel's representative. David swung his sling and launched a stone into the air. It hit Goliath right on the forehead and he fell to the ground, defeated.

We need to know TRUTH before we can know JUSTICE. Justice is a reward or a punishment for something we have done. God is JUST!
