

Message from Pastor Bob

Hey Northpark Family – I hope you're having a great day today!

This is the first of many quarterly financial and ministry reports that you'll be receiving from Northpark Community Church.

Our mission statement is 'Building Lives through Relationships – with God, with each other, and with those who do not yet know Christ'. We do that through Sunday services, events and activities on our campus, missions giving and so much more.

Each quarter we'll highlight different ways that your generous giving is impacting Northparkers, our community, and our world. If it wasn't for you and your generosity, these things could not happen.

This quarter, find out more about the great opportunities we are able to provide for kids and youth this summer to connect with God and each other. We thank you for your involvement, support and prayers!

Pastor Bob Willis

Northpark Youth at Summer Camp at Hume Lake

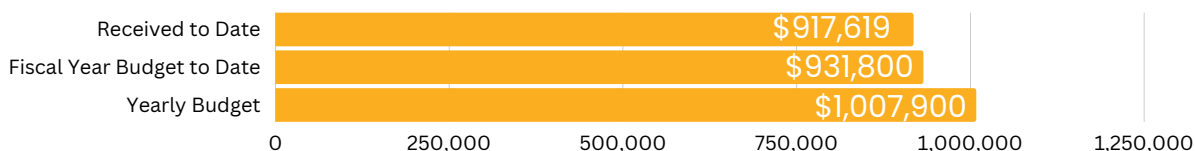

2022–2023 FISCAL YEAR FINANCE REPORT

JULY 1 – MAY 31

From Bob Fuller, Administrative Pastor

General fund income is virtually on target for fiscal year July 2022 – June 2023 and nearly the same as the same period of time last year. Detailed financial reports are available upon request.

THANK YOU for your generous donations that support the work of Northpark!

MINISTRY HIGHLIGHTS – KIDS & YOUTH

Summer Camp at Hume Lake

June 11-17, 2023

Almost 100 kids and youth will be going to Hume Summer Camp June 11-17, where everything they do is intentionally focused on growing spiritually and connecting with those around them. It's an opportunity to set aside screen time and social media and be immersed in fun activity and Biblical teaching. Counselors (staff and volunteers from Northpark) are there to encourage, build up and mentor our young generation. Hume Lake Christian Camp provides an exceptional experience – both spiritually and physically.

Although each attendee pays registration to Hume Lake, Northpark covers the cost of our own counselors to go, for bus transportation back and forth, and scholarships for kids who cannot afford to go. We do not want cost to be the reason a kid doesn't go to camp.

Kids Summer Adventure at Northpark

We value the opportunity we have to provide experiences that will impact our kids and youth long after the event is over.

July 17-21, 2023

Some churches call it 'VBS', but we call it 'Summer Adventure'! This yearly weeklong evening program is an opportunity to share Jesus with 200 kids and their families. Every detail of this week is intentionally planned. Every game, snack, Bible story, memory verse and song is thoughtfully planned to point back to the life changing truth of Jesus! And once kids have experienced an incredible week of fun, we invite their families to join us for the Friday Night Family Night filled with water slides, games and fun activities – where they can not only connect with other people, but also hear about Jesus!

Summer Adventure is one of the greatest outreaches to our community – only about half of the kids who attend are from Northpark. The rest are either from other churches or unchurched. Summer Adventure is also one of our biggest opportunities for people to serve Jesus. It takes over 100 adult and youth volunteers who give of themselves before, during and after this fun week.

The cost of registration for Summer Adventure covers just a small portion of the cost of putting on this huge event – the rest is covered by the Children's Ministry budget and scholarship donations.

Thank you for making these things possible!
